What is this product?

Type

The product is a share class of FTGF Western Asset US Government Liquidity Fund (the "Fund") which is part of the Franklin Templeton Global Funds plc, an investment company with variable capital incorporated with limited liability in Ireland and established as an umbrella fund with segregated liability between sub-funds.

Term

The Fund has no maturity date. The Fund could be closed under the conditions laid down in the current prospectus of the Fund.

Objectives

Investment Objective

To seek to preserve capital and provide a return (income) in line with money market rates.

This Fund qualifies as a short-term public debt constant net asset value (CNAV) money market Fund.

Investment Policy

The Fund mainly invests in money market instruments issued or guaranteed by government entities, denominated in US dollars and issued by US issuers as well as reverse repurchase agreements and US Dollar cash deposits.

In reverse repurchase agreements, the Fund arranges to buy government money market instruments with an agreement that the seller will repurchase the debt at a later date at an agreed price. The sellers must be highly rated by recognised credit rating agencies. These agreements allow the Fund to invest cash on a short-term basis.

The Fund has a low sensitivity to interest rate changes with an average maturity of less than 60 days.

SFDR category Article 6 (does not promote environmental and/or social characteristics or have a sustainable investment objective under EU regulations).

Base currency US dollar (USD).

Benchmark(s) FTSE 1-month US Treasury Bill Index. Used for performance comparison, risk management.

The fund is actively managed and may deviate materially from that of the benchmark(s).

Share Class Policy

Income and gains from the Fund's investments are not paid but instead are reflected in the Fund's share price.

Buying and selling shares

You may normally buy or sell shares on any day the New York Stock Exchange is open for business.

Intended retail investor

Investors who understand the risks of the Fund and plan to invest for at least 1 year. The Fund may appeal to investors who:

- are looking for income from an investment that seeks to preserve capital
- are interested in exposure to developed short-maturity bond markets as part of a diversified portfolio
- have a low risk profile and can tolerate small short-term changes in the share price

Product availability The Fund is available to all investors with at least basic investment knowledge, through a wide range of distribution channels, with or without the need for advice.

Terms to understand

money market instruments: Financial instruments designed to provide stable value, interest, high liquidity and a very low risk of loss.

Depository

Bank of New York Mellon SA/NV, Dublin Branch

What are the risks and what could I get in return?

Risk Indicator

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets.

We have classified this product as 1 out of 7, which is the lowest risk class. This rates the potential losses from future performance at a very low level, and poor market conditions are very unlikely to impact the capacity to pay you.

Be aware of currency risk. In some circumstances, you may receive payment in a different currency, so that the final return you get may depend on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.

Other risks materially relevant to the product not included in the summary risk indicator:

- Credit risk

For the other risks applicable to this Fund, please refer to the Primary Risks section of the Fund supplement contained within the prospectus of the Fund. This product does not include any protection from future market performance so you could lose some or all of your investment.

Performance Scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back. What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

Recommended holding period: 1 an

Example Investment: 10000 USD

Scenarios	Returns	If you exit after 1 year
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.	-

Moderate	Average return each year	0.70%
Favourable	What you might get back after costs	10 490 USD
Favourable	Average return each year	4.90%

The stress scenario shows what you might get back in extreme market circumstances.

Unfavourable scenario: This type of scenario occurred for an investment between November 2020 and November 2021.

Moderate scenario: This type of scenario occurred for an investment between March 2017 and March 2018.

Favourable scenario: This type of scenario occurred for an investment between August 2023 and August 2024.

What happens if Franklin Templeton International Services S.à r.l. is unable to pay out?

Franklin Templeton International Services S.à r.l. ("FTIS") is the management company of the Fund, but the assets are held separately from FTIS by the depositary. BNY Mellon SA/NV Dublin Branch, as the appointed depositary of the Fund, is liable to the Fund or its shareholders for any loss of financial instruments held in custody by it or its delegates (cash could however be lost in case of default of the depositary or its delegates).

There is no compensation or guarantee scheme protecting you from a default of the Fund's depositary.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario
- USD 10 000 is invested

Costs over Time	If you exit after 1 year
Total costs	65 USD
Annual cost impact (*)	0.7%

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 1.4% before costs and 0.7% after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.

Please note that the figures shown here do not include any additional fees that may be charged by your distributor, advisor or any insurance wrapper in which the fund may be placed.

How long should I hold it and can I take money out early?

Recommended holding period: 1 year(s)

This Fund has no minimum required holding period. We consider that the 1 year recommended holding period is appropriate because the Fund is designed for short-term investment. You may sell your shares on any dealing day. The value of your investments may go down as well as up irrespective of the period you are holding your investments, depending on such factors as the performance of the Fund, movements in stock and bond prices, and conditions in financial markets generally. Please contact your broker, financial adviser or distributor for information on any costs and charges relating to the sale of the shares.

How can I complain?

Investors who would like to receive the procedures relating to complaints handling or wish to make a complaint about the Fund, the operation of FTIS or the person advising on or selling the Fund, should go on the website www.franklintempleton.lu, contact Franklin Templeton International Services, S.à r.l., 8A, rue Albert Borschette L-1246 Luxembourg, or send an e-mail to the client service department at service.Lux.franklintempleton@fisglobal.com.
